5 August 2004

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

FIRST SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicants submit the attached form PTO-1449 along with listed items other than US patents, which are readily available to the Examiner (see MPEP Section 609: "copies of such U.S. patent documents are not required if ... the IDS is filed in an application filed after June 30, 2003"). Applicants request the Examiner to initial the attached form PTO-1449 and return a copy as an indication that each listed item has been considered and made of record in this case.

Applicants also attach a copy of the 8/1/03 and 6/3/04 Office Actions in application number 10/015,258 filed 12/11/2001 naming Richard A. Graff as inventor. Mr. Graff copied claims from applicants' U.S. Patent No. 6,161,099 in an attempt to request an interference. Mr. Graff's case is currently being examined by Nicholas D. Rosen of Art Unit 3625. The Examiner is referred to the file history of application number 10/015,258 for additional details.

Respectfully submitted,

NIXON & VANDERHYE P.C.
